Professional Summary

MCA candidate with hands-on experience in Data Analytics and Business Intelligence. Proficient in Python, SQL, Excel, and Power BI, with experience in data analysis, dashboard development, and delivering actionable business insights.

Technical Skills

Programming & Analytics: Python, SQL, Pandas, NumPy, Matplotlib, Excel

BI& Visualization: Power BI, Excel Dashboards, DAX, KPI Reporting, Data Cleaning, Data Validation, Data Storytelling

Automation & Data Handling: Process Automation, Structured & Unstructured Data Handling, ETL Concepts, Data Preprocessing

Database & Tools: MySQL, GitHub, VS Code, Docker

AI & Machine Learning: RAG Pipelines, Prompt Engineering

Experience

Data Analyst Intern, Uptoskills – Remote

- Analyzed large business datasets using SQL, Python, Excel, and Power BI to identify trends and generate actionable business insights.
- Developed and maintained Power BI dashboards, reports, and KPI tracking views to support business analysis.
- Used SQL queries involving joins, filtering, aggregations, and transformations for reporting and analytics.

Projects

ETL Pipelines

- Built ETL pipelines to extract, transform, and load data from multiple sources.
- Automated data cleaning and validation using Python, SQL, and Pandas.
- Improved data quality and reporting efficiency through streamlined data processing.

RAG System for Multi-format Document QA

- Developed a RAG-based question-answering system for multi-format documents.
- Integrated Gemini API with semantic search to generate context-aware responses.
- Optimized document chunking and retrieval workflows to improve response quality and search performance.

Business Intelligence & Analytics Projects

- Built interactive Power BI dashboards to analyze sales performance, customer behavior, profit trends, and regional business performance.
- Performed data cleaning, preprocessing, and KPI analysis using Excel, SQL, and Power BI.
- Generated actionable insights to support business decisions and operational improvements.

Education

Master of Computer Applications (MCA) [2024 – 2026]
Noida Institute of Engineering and Technology, Greater Noida

Bachelor of Computer Applications (BCA) [2021 – 2024]
Microtek College of Management and Technology, Varanasi

Certifications

- Power BI – Infosys Springboard
- AWS Fundamentals
